a Govt Office, - am acquainted with
deft. - At Hanalei on Nov. 5 I went
in search of the property that was
stolen by Jno Puoia, I had a talk
with deft. - I arrested some Chinese
for gambling. They were 3 in number
After I made the arrest, deft came
and asked me to let Ha Hong, one of
the prisoners whom I arrested ^{for gambling} for then he
will give me \$10. I refused, saying
that will not do. He asked me in a
friendly way to let that Chinese man go. I
